Location

The Boars Head Industrial Estate comprises nine modern industrial/business units arranged in a courtyard scheme on Clarke Street.

Clarke Street enjoys rapid access to the inner ring road and to the A38 and A52 dual carriageways which provide onward links to junctions 28 and 25 of the M1 motorway respectively.

The Premises

The subject premises comprise a modern, mid-row light industrial/ business unit of steel portal frame construction with cavity brick and block walls (parties walls are of blockwork construction) surmounted by steel profile cladding to the upper external wall sections.

The roof is pitched and overclad with profile steel cladding incorporating translucent roof light panels.

Internally, the accommodation is arranged to provide a private office, an open plan workshop, a 'tea-point' and a single WC facility.

The workshop has the benefit of an up and over loading door, concrete floor and a minimum working height of some 14' 0" (4.3 m)

To the front of the unit there is a single car parking space together with a loading apron which could double up as an additional parking space.

To the rear there is a small yard area and fire escape route – the fire escape should be kept clear of obstruction at all times.

Accommodation

The premises have been measured on a Gross Internal Area (GIA) basis in accordance with the RICS Code of Measuring Practice 6th Edition.

Gross Internal Area: 1,242 sqft (115.4 sqm)

Measurements and floor areas are provided for guidance only and should not be relied upon by interested parties.

Services

Mains electricity, water and drainage services are available and connected.

Gas is available but not connected.

Non-Domestic Rates

We have established from the Valuation Office website that the premises are assessed for Non Domestic Rates as follows:

Workshop and Premises Rateable value: £6,900

The current multiplier is 0.499.

All rating information should be verified with the Rating Department at Derby City Council who can be reached on 01332 293111.

Small Business Rate Relief

You can get small business rate relief if:

- your property's rateable value is less than £15,000; and
- your business only uses one property - you may still be able to get relief if you use more

You should contact the Local Charging Authority to apply for small business rate relief.

Town & Country Planning

We believe that the premises have the benefit of existing planning consent for Light Industrial use falling within Class E of the Town & Country (Use Classes) Order 2020.

However, interested parties should make their own enquiries of Derby City Council Planning Department to verify that this is the current position and to determine whether planning consent is required for their specific use of the building.

Energy Performance Certificate (EPC)

The premises have an Energy Performance rating as follows:

D - 94

A copy of the Energy Performance Certificate can be made available to interested parties upon request.

Terms

The premises are available to let by way of a new lease for a term of years to be agreed.

The lease will be drawn on a full repairing and insuring basis and will incorporate regular rent reviews as and where appropriate.
